

Utah White Labs Health Guarantee

Utah White Labs is not responsible for the death or loss of this puppy once it leaves our premises; this includes but is not limited to, sickness, accidents, personal injury or theft. The breeder is not responsible for refunds for any reason.

Health Guarantee:

We guarantee this puppy, to the best of our knowledge, to be healthy. The purchaser has 5 business days from the purchase date to have the puppy examined by a licensed veterinarian. Should the veterinarian find the puppy unfit for purchase due to conditions or disorders that will affect the long term health of the puppy, the breeder agrees to refund the purchase price upon return of the puppy and all paperwork to the breeder. The veterinary reports, diagnosis and test results must be provided to the breeder in WRITING. Failure to have the puppy examined by your vet within this time period will void this guarantee. All expenses including veterinary costs and return shipping are the responsibility of the purchaser.

HIP and EYE Guarantee:

Your puppy is guaranteed to be free of hip and elbow dysplasia and PRCD of the eyes to an age of 27 months.

To validate this guarantee:

The dog must be owned by the original owner.

The dog must not have been bred.

The dog must not be overweight.

The dog must not be over 27 months of age.

Hip evaluation must be done by OFA and show that the hips are moderately to severely dysplastic. Eye evaluation must be done by a licensed veterinary ophthalmologist. All x-rays and vet reports must be provided for verification before the replacement is authorized. Breeder reserves the right to have a second opinion of a veterinarian of our choice before any action is to take place. If your dog is shown to be dysplastic or suffering from PRCD the owner may return the dog along with all paperwork, and receive a replacement puppy of the similar value and quality from a future litter. You may also decide to keep the dog. If you choose this option you must provide us paperwork showing that the dog has been neutered or spayed. All veterinary and shipping expenses will be the responsibility of the purchaser.
